Discussion ensued.

Community Foundation Funds

Pat McKay discussed the Museum funds at the Community Foundation of Greater Rochester. He mentioned moving \$250,000 into the endowment fund from operating funds. McKay mentioned that there was a large donation that

was placed in our operating fund by the donor allowing excess funds to be moved into the Endowment fund.

The end of the year is the busiest time to receive donated funds as part of the annual appeal.

Endowment Fund Campaign

Pat McKay discussed the Museum improvements and construction that has gone on over the past many years and we are finally done. Strategically, we would like to look at the Endowment Fundraising as we await final costs for the Big Barn build.

Reports presented and accepted

- *Acceptance of Rochester Hills Museum 2024 Annual Report*
- *Update of Museum Division Plan 2026 - 2030 Kickoff*
- *Museum 2024 annual appeal/membership update report*

MUSEUM PROGRAM UPDATES – Cathy Fitzpatrick

Cathy Fitzpatrick discussed the Museum being closed for drop in tours in January and February, however that doesn't mean things are slow. Closing allows the team to get things done in the winter months. She discussed the Rochester Community Schools field trips. This year we have other local schools from private schools to other surrounding cities. Discussion ensued. Cathy Fitzpatrick discussed the February Friday Film Festival and the demographics of attendees. She also mentioned other off-site programs. She discussed volunteers. We do have a new point of sale system coming in. Pat McKay mentioned that our wedding bookings have decreased slightly but private rentals have increased significantly. Discussion about additional staff ensued.

OLD BUSINESS - Suzanne Wiggins, Heather Sellick

2025 – 2026 \$500,000 Museum Endowment Fund Appeal

Heather Sellick discussed getting the message out about the endowment fund and what it does, how much of it goes towards sustaining the Museum, how much can be pulled out for projects, etc. This is a multiphase endowment fund. We have to determine how many phases and what the actual goal is. Heather Sellick mentioned one million. The goal will be larger if the goal is to include the Big Barn. We have a pretty extensive list of people to reach out to for donations. Discussed the kick off for donations being March 29th. Pat discussed outreach happening monthly. We want to make sure we are asking clearly for endowment funds. Heather also mentioned that the endowment fund is not meant to replace other annual donations. Pat discussed the long haul, raising funds now for 50 or more years from now. Discussion ensued.

NEW BUSINESS

Pat McKay discussed the grant through the Michigan Department of Labor and Economic Opportunity for \$1,000,000. This would be for the parking lot and would not need to be used until 2029. Joe Snyder asked if the Big Barn project would affect that. Pat McKay mentioned it would and the time frame of 2029 would help us resolve parking issues before any Big Barn construction. Discussion ensued.

Pat McKay mentioned discussing at the next meeting when would be the best time for this board to meet. Pat McKay mentioned having a larger audience at the meetings and these meetings could be held anytime. You do not have to be a Rochester Hills member to be a part of the board. Topic will be discussed at the next meeting.
