¹ Combine pet boarding and vet clinics with provision that only indoor facilities are permitted in residential districts. Consider combining kennels and pet boarding, with limits on the number of animals permitted at any one time in residential districts.

KENNEL. The boarding, breeding, raising, grooming, or training of three or more dogs, cats, or other household pets of any age either 1) not owned by the owner or occupant of the premises, or 2) for commercial gain.

PET BOARDING FACILITY. A business for the temporary boarding and care of common household pets generally during daytime hours, but in some cases including overnight boarding. Pet boarding facilities may provide related services such as grooming or training. No animals may be bred or sold at a pet boarding facility.

VETERINARY CLINIC. A place for the care, diagnosis and treatment of sick or injured animals, and those in need of medical or minor surgical attention. A veterinary clinic may include customary pens or cages which are permitted only within the walls of the clinic structure.
