Summary

The applicant is proposing to demolish the existing Barnes & Noble building on a five acre parcel located on Rochester Rd. north of Auburn Rd. and to construct a mixed use development with retail, a drive-through restaurant and 94 apartments, with associated parking areas and landscaping. The plans include a one-story retail building constructed with a drive-through, and a four-story mixed use building including apartments constructed to the west/rear, totaling 121,796 sq. ft. A drive-through is permitted as a conditional use which requires a public hearing before the Planning Commission makes a recommendation to the City Council.

Staff suggests that consideration should be given to providing a loading zone for the proposed apartment building near the lobby to accommodate moving vehicles and package delivery. The applicant has elected not to do this.
