1	City Council Regular Meeting	06/07/2006	Discussed				
	<p>Notes: Council discussed various scenarios by which expiring and proposed new millages could be addressed, either by individual communication committees or via joint communication committee meetings.</p> <p><b>Mr. Yalamanchi</b> stressed his belief that the issues not be "discussed in isolation." He recommended that the City seek renewal only of the Pathways and Police II millages and then seek a "comprehensive solution" to be implemented next year.</p> <p><b>Ms. Holder</b> pressed her colleagues to consider asking voters for a millage to support Parks, stressing that it is necessary to look at "needs versus wants."</p> <p><b>Mr. Hooper</b> suggested that to pursue a millage renewal this year and then approach voters next year for more funds would likely be unsuccessful.</p> <p>Council consensus was to refer the Pathways Millage to the Community Development &amp; Viability Committee, the Police funding issue to the Public Safety Committee and the possible Parks Millage to the Leisure Activities Committee.</p>
