1	City Council	05/05/2004	Adopted by Resolution				Pass
	Notes:	<i>Mr. Rousse explained that, having reviewed the duties and staffing of the facilities employees, it was determined that the department "can better utilize our current employees if we gear them toward maintenance and contract out the custodial duties." He noted that contracting these services saves roughly 50% of the costs of performing the work in-house. He further noted that the contract can be terminated following thirty (30) days notice if the level of service is not acceptable.</i>					
		<i>Council members expressed a desire to see employees in other positions fill these janitorial positions rather than being laid off. It was also suggested that City Hall employees clean their own facilities, as is the case at the Fire stations and the Parks.</i>
