Continue providing a dependable and properly maintained infrastructure to the community

Continue to hire good employees during our succession transitions while also training and developing our existing core group.

CLOSING REMARK

The Department of Public Services is one Department in a team that provides the most dedicated and talented contributions toward innovation. Each department within the City of Rochester Hills works hard, and as a combined group, we enhance our customer's quality of life every day.

Thank you City Council for your support.

The Rochester Hills DPS looks forward to administering another year of capital improvement and private development projects in 2015 and continuing to maintain the City infrastructure to provide exceptional and reliable service for our customers.

THANK YOU
