Ms. Strate

This is Andrew Kenzie and I regret to inform you that i will no longer be able to attend meetings held during school hours. I simply cannot afford to miss any more school time. I apologize profusely for not having contacted you at an earlier date. I would, however, like to uphold my services to the AIS committee. I am wondering if there is any way possible I could attend meetings held during the evening, such as the City Council meetings, and fulfill my obligations to the committee. I would like to still be an active member and I will do anything the committee requests of me to stay involved.

Thank you very much for your time. Please contact me when you have come to a decision regarding my status with the AIS committee.

Sincerely,

Andrew Kenzie
