In view of the Eddington Square concept plan that is going to be discussed at the July 22, 2014, planning meeting, I strongly object to the closing of the Eddington Blvd. This Blvd is a beautiful entrance to our subdivision. I have lived in this subdivision since 1992 and have always been proud of this entrance. It is always well kept and a credit to the community. Please take into consideration the residents of our subdivision. I will not be at this meeting because I am a 24/7 caregiver for my husband. However, I will make it my concern how this issue is handled by the planning committee.

Thank you,
Karen Cleary
