**Re: Probable Landscape Costs
HNB - 2975 Walton Boulevard**

Austin,

The following is our probable landscape budget for the above referenced project. I would caution that prices seem to change daily, so maybe even round up some more?

Trees: \$11,750
Shrubs: \$8,995
Perennials: \$2,346
\$23,091 + 20% contingency = \$27,709
\$30,000

Decorative Gravel Mulch: **\$4,000**
Sod: **\$8,500**
Irrigation: **\$20,000**

Probable Cost: \$62,500

Thanks,

Roger Beal
