2019-0029 Request for Acceptance of the 2018 Annual Report for the Planning and Economic Development Department (Planning Commission only)
Ms. Kapelanski advised that the report was done in a similar format as the 2017 report. She noted that the Michigan Planning Enabling Act required the Planning Commission to prepare an annual report. Staff had expanded the scope of the report to include all of the boards and commissions that worked with the PED department, some administrative work, a section on economic development and some items for the upcoming year were outlined. She said that if there were any edits requested, those changes could be made. If not, they were asking the Planning Commission to accept the 2018 Annual PED Report, which would be forwarded to City Council in February.

Mr. Hooper said that it was a great report again, and he moved the following:

MOTION by Hooper, seconded by Reece, the Rochester Hills Planning Commission hereby accepts the 2018 Annual Report for the Planning and Economic Development Department.

Mr. Kaltsounis joked that as the Secretary, it was his job to put the report together and present it to Council, so he thanked staff.

A motion was made by Hooper, seconded by Reece, that this matter be Accepted . The motion PASSED by an unanimous vote.

Vice Chairperson Hooper stated for the record that the motion had passed unanimously.
