**TO:** Mayor and City Council Members

**FROM:** Sara Roediger, Planning and Economic Development Director, ext. 2573

**DATE:** April 23, 2024

**SUBJECT:** Request that City Council accept the Historic District Study Committee review and recommendation of the Eureka Fruit Farm Noncontiguous Historic District pursuant to the Final Historic District Study Committee Report.

---

**REQUEST:**

That City Council accept the Historic District Study Committee review and recommendation of the Eureka Fruit Farm Noncontiguous Historic District pursuant to the proposed Final Historic District Study Committee Report of the Eureka Fruit Farm conducted by Kristine Kidorf and delist the two (2) properties that make up the former Eureka Fruit Farm.

**BACKGROUND:**

The City of Rochester Hills is a Certified Local Government (“CLG”). CLG status is jointly administered through the Michigan State Historic Preservation Office (SHPO) and the National Park Service (NPS) in an effort to promote, support and enhance historic preservation at a local level. Since the City is a CLG, the City and its Historic District Commission is charged with developing and carrying out a plan for the ongoing survey of historic resources in the City. The City as a part of this ongoing review process and as a result of a significant fire at the subject site has studied the property(s) that formerly made up the original Eureka Fruit Farm at 1021 Harding Ave.

The following provides a brief background on the process undertaken by the City in regard to reviewing the current District:

- At the December 4<sup>th</sup>, 2023 meeting, the City Council resolved to request the Historic District Study Committee study the delisting of the Eureka Fruit Farm, and provide Council with a complete report of their findings and recommendations per ordinance requirements.
- On February 8<sup>th</sup>, 2024, the HDSC adopted the draft Preliminary Historic District Study Committee Report and transmitted such to the State Historic Preservation Office and the Rochester Hills Planning Commission for review and comment.
- On February 9<sup>th</sup>, 2024, the Preliminary Historic District Study Committee Report was transmitted to the State Historic Preservation Office and the Rochester Hills Planning Commission via email.
- At their February 20<sup>th</sup>, 2024 meeting, the Rochester Hills Planning Commission accepted the report as written with no comments.
- On April 11, 2024, the HDSC held the required public hearing on the proposed boundary revision. There was no public opposition to the removal of the property from the City’s list of Non-Contiguous Historic District properties.

- At the April 11, 2024 meeting, the HDSC unanimously approved the following: to adopt the proposed Final Historic District Study Committee Report for the Eureka Fruit Farm – 1021 Harding Ave Non Contiguous Historic District as written, and to request staff prepare and City Council adopt language to amend Chapter 118, Historical Preservation, of the City Ordinances in accordance with the finding and proposed boundary adjustment, for removal, within the Report.

**RECOMMENDATION:**

Finding that, the Historic District Commission recommends that City Council accept the Historic District Study Committee review and recommendation of the Final Historic District Study Committee Report for the Eureka Fruit Farm conducted by Kristine Kidorf, for the property formerly known as 1021 Harding Ave. and delist the property formerly know as the Eureka Fruit Farm from the City’s Non-Contiguous Historic Districts
