Agenda No: False Alarm Program
Date: March 26, 2004
Prepared By: Susan Galeczka, City Council Liaison
City File No: N/A

Meeting Date: March 31, 2004

PURPOSE:

Public Safety at its regular meeting of February 2, 2004 adopted the following resolution:

Whereas, significant problems are caused in Rochester Hills by a large number of Police responses to false alarm systems. These false alarms cause man power problems, costs, liability issues and greater harm by reducing the credibility of all alarms.

Whereas, other communities have instituted programs involving alarm registration and a scale of fines for repeat false alarms.

Therefore, be it resolved, that the Rochester Hills City Council Public Safety Committee recommends that City Council invite Captain Bob Smith and Deputy Dan Clark to a future City Council Work Session to present both the problems and proposed solutions.
