TO: City Council Members
FROM: Melinda Hill, City Council President
DATE: September 29, 2005
SUBJECT: Green Space Advisory Board

Due to the passage of the Open Space Millage in September and with its passage Council's commitment to establishing a Green Space Advisory Board, I asked both the CDV and LA committees to take some time at their September meetings to discuss and provide feedback regarding the formation and operation of the GSA Board. Attached are the materials provided the committees to assist in their discussion, as well as their resulting feedback. I would like to continue this discussion at the council level; board formation on October 5th, board operation/procedure on October 19th. This should allow council to be well on its way to implementing a Green Space Advisory Board for the 2006 fiscal year.

If you have any questions or concerns, please don't hesitate contact me.
