

## **Pyrotechnic Application –Zambelli Fireworks – Great Oaks Country Club**

1. Completed Application for State Permit has been submitted.
2. Proof of liability insurance has been submitted.
3. Plan for the use of pyrotechnic special effects:
  - a. Great Oaks Country Club - Rochester, MI
  - b. August 6, 2021 at approximately 10:00 p.m.
  - c. Driving range at Great Oaks CC – 777 Great Oaks Blvd. Rochester, MI 48307
  - d. Michael Myers will be the Lead Zambelli Technician
  - e. 1 Assistants:
    - i. To Be Determined
  - f. Mr. Myers has successfully shot more than 200 displays of the same size or larger than the Great Oaks CC display.
  - g. Mr. Myers has been a pyrotechnic operator for over 20 years and has shot over 400 displays in the United States.
  - h. Mr. Myers is the Lead Zambelli Technician for all displays for the Detroit Tigers.
  - i. Mr. Myers currently hold pyrotechnic licenses from the City of Detroit and the State of Ohio.
  - j. See attached work order for product to be used at this display. General responsibilities of the assistants will be setting up and securing racks, loading and plugging in shells, assisting with continuity check and failed electric match checks and resolving any problems which can be resolved before shooting display, checking for unexploded materials after the display is shot and disassembling equipment, loading it back on the truck and cleaning the shoot site.
  - k. Site diagram has been submitted.
  - l. All equipment will be assembled in its designated area on the shoot site. Pyrotechnics will arrive the afternoon of the display.
  - m. SDS sheets are attached.
  - n. All of our mortar racks are made of HDPE (high density polyethylene) or fiberglass, both of which are permitted for use of shooting pyrotechnic devices per NFPA 1123 (4.3.7.1), PGI (Official Fireworks Safety Guidelines 6.C.2) and A.P.A. (APA Display Fireworks Training Program 7.1.4.1.).

Respectfully Submitted:

John Greer, Project Manager Zambelli Fireworks 513.478.6475
