BACKGROUND:

In accordance with the State's Uniform Budgeting and Accounting Act and City Charter Section 3.7, the Mayor's Office has prepared suggested budget amendments to the current 2006 budget. These 3rd Quarter budget amendments reflect the current estimated revenues and expenditures by line-item for FY 2006. The amendments reflect changes based on current updates regarding operating expenditures and operating revenues along with capital project updates. Only line-items requested to be changed are included on the enclosed schedule, as opposed to providing the budget in its entirety. The enclosed budget amendment schedule illustrates the "Current Budget" and *proposed* "Amended Budget" totals for each line-item request. A brief description for each request is indicated in the "Explanation" column. The enclosed resolutions provide the new requested fund totals.

Note: "R" represents a revenue account and "E" represents an expenditure/expense account on the enclosed budget amendment schedule.

* Represents line-item changes that don't change fund totals.
