**Legislative File No:** 2010-0293

**TO:** Mayor and City Council Members

**FROM:** Scott Cope Director Building Department  
Robert White Supervisor Building Department

**DATE:** July 20, 2010

**SUBJECT:** Sign ordinance, Section 134-178.

---

**REQUEST:**

Staff is requesting that the listed section of the Sign ordinance be amended to remove the word “**not**” in the sentence that currently states “The following signs shall not be permitted on office, professional and research premises” This sentence appears just prior to Section 134-178(1).

**BACKGROUND:**

The Sign ordinance was recently amended and soon after it was discovered that the word “not” was accidentally inserted in the document presented to Council for first and second reading. This amendment would correct the error. This amendment was presented to City Council for first reading at the regular Council meeting of July 19, 2010 and approved. This amendment is now presented for second reading at the July 26, 2010 regular City Council meeting

**RECOMMENDATION:**

Staff recommends that City Council approve for second reading the amendment to the Sign ordinance.
