RE: *G & V Investments - Edington Farms*
Request to Appear Before City Council to Discuss Road Layout Concept

Dear Mr. Hooper and Ms. Scott:

As you know, my client, G & V Investments, appeared before the Rochester Hills Planning Commission last night, to discuss the road layout concept plans for the G & V property along Rochester Road.

Having received the Planning Commission's comments on the matter, we would respectfully request to be placed on the City Council Agenda for August 11, 2014, for the purpose of discussing the road layout concept plans with the City Council. We would appreciate your consideration of this request, since the City Council will be mired in budget discussions and does not have another regular meeting scheduled until almost a month after the August 11 meeting date.

Attached please find the concept plans presented to the Planning Commission, which we would like to present and discuss with City Council. Thank you for your consideration of this request.

Very truly yours,

WILLIAMS, WILLIAMS, RATTNER & PLUNKETT, P.C.
