RE: City Of Rochester Hills Fire Station #1 Solids Interceptor & Station #2 Oil Interceptor

Dear Mrs. Cummins,

The George W. Auch Company would like to take this opportunity again to express our appreciation to the City of Rochester Hills for selecting our firm to provide Construction Management Services for your Fire Station #1 Solids Interceptor & Station #2 Oil Interceptor.

The George W. Auch Company has completed our review and evaluation in conjunction with the City's consultants for the Rochester Hills Fire Station #1 Solids Interceptor & Station #2 Oil Interceptor Bid Package proposals received on August 18, 2017. We here within submit our recommendations to the City for approval of the awards for the trade contracts based upon the lowest responsive bid, the contractor's qualifications, their proposal and their ability to meet the schedule requirements. Please find attached the tabulation of the recommended contractors by proposal.

The Station #1 Solids Interceptor & Station #2 Oil Interceptor proposed established Guaranteed Maximum Price is \$47,530.59 for the work described in the bidding documents and assumptions including allowances, contingency, Construction Management Services and fee. We have provided an attached summary of the cost breakdown of allowances, general conditions and work by trade categories.

City of Rochester Hills

Rochester Hills Fire Stations #1 Solids Interceptor & Station #2 Oil Interceptor

Clarifications and assumptions to the GMP

1. The scope of work is determined by what has been clearly indicated by the documents and not by inference or conflicting information.
2. City of Rochester Hills will handle all hazardous materials identification and removals.
3. Access will be provided to allow the contractors to field measure and confirm actual conditions prior to start of construction.
4. No accommodation has been provided for electrical conduits that have been installed at a distance less than 4" below the slab on grade as required by code. Should conduits or plumbing be encountered in this condition the owner's contingency shall be accessed to investigate the runs and make repairs as required to make it operational
5. City of Rochester Hill will employ a third party testing agent for all required special testing/inspections.
6. All furniture, equipment, etc. shall be moved and cleaned by City of Rochester Hills.
7. All utility costs including utility usage during construction to be paid by City of Rochester Hills.
