RE: Resolution Request – Canada Goose Egg/Nest Destruction Permit

Dear Council:

The Heatherwood Village Homeowners' Association (HVHA) respectfully requests that the Rochester Hills City Council grant it a 5 year resolution to continue with the Canada Goose Egg/Nest Destruction. Previously, the Council has granted the HVHA two 5 year resolutions to participate in the Canada Goose Egg/Nest Destruction Program. The most recent resolution expired with the 2017 season. We have found this program to be effective in managing the Canada Goose population around Arlington Pond (located with the subdivision) and wish to continue these efforts. Attached please find the completed application for your review.

Thank you for your consideration.

Sincerely,

Heatherwood Village Homeowners' Association
