Re: **Extension of the Final Plan for Pine Woods Site Condos
City File No. 05-005**

As current owner of the property proposed for the 29-unit Pine Woods Site Condominiums, located south of Auburn and east of Livernois, Mr. Larry Randazzo of L & R Homes has authorized his representative, Mr. Vito Randazzo, to request a one-year extension of the Final Site Condo Plan Approval until July 14, 2016.

Mr. Randazzo has agreed to all applicable conditions of the extensions policy, including that there is no indebtedness to the City, taxes are current, and he acknowledged that the project must be brought into conformance with all current, new or amended City regulations (please refer to the attached letter dated June 16, 2015).

The Planning Commission recommended approval of the Final Plan on June 17, 2008 and City Council gave approval on July 14, 2008. The approval expired after two years, but extensions can be granted by a recommendation from Planning Commission and approval by City Council, per *Section 122-161* of the Subdivisions Ordinance, and upon receipt of an authorized request from the applicant. The most recent one-year extension was granted by City Council on July 21, 2014 until July 14, 2015.

The applicant states that they are continuing to prepare the property for development, which he can further expound at the meeting. Because the applicant is in compliance with the extensions policy, staff recommends approval. The following motion is provided for consideration:

MOTION by _____, seconded by _____, in the matter of City File No. 05-005 (Pine Woods Site Condominiums), the Planning Commission hereby recommends that City Council approves an Extension of the Final Plan until July 14, 2016.
