Legislative File No: 2017-0094 Version 2

TO: Mayor and City Council Members
FROM: Allan E. Schneck, P.E., Director of Public Services
DATE: December 4, 2017
SUBJECT: 22A Road Gravel- Aggregates

REQUEST:

City Council is requested to authorize an increase to the existing two (2) year blanket purchase order to Tri-City Aggregates, Inc. Holly, Michigan in the amount of \$25,000.00 for the purchase of 22A Road Gravel for a new not-to-exceed amount of \$49,260.00 through December 31, 2018.

REASON FOR PURCHASE:

The Department of Public Services purchases 22A Road Gravel on an as-needed basis for routine maintenance on gravel roads and shoulder grading. The water and sewer division also uses the aggregate for backfill on water main breaks and service line repairs.

Sealed bids were solicited on MITN for aggregates for the 2017 and 2018 maintenance seasons. Although nine bids were received, only seven vendors bid on 22A Road Gravel. The lowest responsive, responsible bid was from Tri-City Aggregates, Inc.

This increase is due to using more materials to maintain gravel roads at the standard expected by City residents. This material is also used as backfill for water and sewer repairs which have also increased this year. Increases in the use of this product requires that inventory be replenished to complete projects throughout next year.
