Re: Hickory Lawn and Norton Lawn Paving SAD #811
Certified Assessment Roll

I have received and reviewed the City Engineer's apportionment of costs for the Special Assessment Project of Hickory Lawn and Norton Lawn Paving SAD #811. Based upon these reports, the Special Assessment Roll has been prepared and I have certified the apportioned costs.

Attached, please find the subject special assessment roll and certification for your approval and presentation to City Council. The tentative schedule for the City Council's acceptance of the Roll and the setting of the Public Hearing on Apportionment of Costs is April 11, 2016.

I am recommending that City Council set the public hearing for the confirmation of the roll for May 2, 2016. I am also recommending that following the public hearing on May 2nd, the City Council adopt a resolution for SAD #811 to: bill and collect; setting of the interest rate; and, setting of the date interest begins.

If you have any questions or concerns regarding this matter, please advise.
