SUBJECT: Police and Road Funding

City Council, at their Regular Meeting on June 29, 2009, received the final report submitted by the Police and Road Funding Technical Review Committee. After reviewing this report, City Council now needs to have more in-depth discussion relative to the recommendations listed in this report, develop a plan to proceed and possibly identify specific items to redirect to the Police and Road Funding TRC for further analysis and recommendation.

The priority rankings that each member has responded to Leanne with have been assembled to help facilitate the discussion and possibly prioritize the next steps.

This is an age old issue that has to be dealt with, please give this item serious thought in preparation for Monday's meeting.
