Here you go.

Good morning Pam and Maureen,

I regret to inform you that I am going to have to step down from the LDFA board. My wife and I just closed on a house yesterday in Oakland Twp. As such, since I will no longer be a resident of Rochester Hills, I pretty certain that I can't serve on the board.

I really enjoyed working with the both of you.

Best of luck in the future!

Sincerely,

Don W. Price, ASA, CVA
