---

Legislative File No: 2017-0063

**TO:** Mayor and City Council Members

**FROM:** Allan E. Schneck, P. E., Director of Public Services

**DATE:** February 27, 2017

**SUBJECT:** Adoption of a Street Resolution – Grace Parc Subdivision

---

**REQUEST:**

Adoption of a street resolution to place newly constructed McComb, Verona Drive, and Milano Court (Grace Parc Subdivision) within the City Local Street System for the purpose of obtaining funds under Act 51, P.A. 1951, as amended.

**BACKGROUND:**

The resolution is for newly constructed streets within the Plat of "Grace Parc Subdivision", recorded under Liber # 297, Pages 13 through 16.

The State of Michigan requires that a street resolution be adopted by the governing body in order to place a public street into the City Local Street System for the purpose of obtaining funds under Act 51, P.A. 1951 (as amended). In 1999, the State initiated that all public streets, including those within platted subdivisions, must have an adopted street resolution by the jurisdictional road agency.

A certified street resolution will need to be returned to the Michigan Department of Transportation (MDOT), accompanied with City Mileage Certification, Act 51 Reports. Upon City Council approval, please provide a certified resolution so we may include the resolution within our ACT 51 City Mileage Certification Reports for mailing next year.

**RECOMMENDATION:**

The Department of Public Services recommends adoption of this resolution to place newly constructed McComb, Verona Drive, and Milano Court within the City Local Street System for the purpose of obtaining funds under Act 51, P.A. 1951, as amended.
