

SANITARY SEWER EASEMENT AGREEMENT

THIS SANITARY SEWER EASEMENT AGREEMENT (this "Agreement") is made and entered into as of this 11th day of October, 2005 between CURTIS PROPERTIES GROUP, L.L.C., a Michigan limited liability company, whose address is 34244 Woodward, Birmingham, Michigan 48009 ("Grantor"), and the CITY OF ROCHESTER HILLS, a Michigan municipal corporation, whose address is 1000 Rochester Hills Drive, Rochester Hills, Michigan 48309 ("Grantee"), based upon the following:

A. Grantor is the owner of that certain real property located in the City of Rochester Hills, County of Oakland, State of Michigan that is more particularly described on Exhibit A attached to and made a part of this Agreement (the "Grantor's Property").

B. Grantee desires to construct, operate, inspect, maintain, repair, replace, remove, substitute and alter a sanitary sewer and any improvements directly related thereto (the "Sanitary Sewer") located in, under, across and through a twenty foot (20') wide area of the Grantor's Property, as more particularly described and depicted on Exhibit B attached to and made a part of this Agreement (the "Easement Area").

C. Grantee desires that Grantor grant, and Grantor is willing to grant, to Grantee a non-exclusive perpetual easement in, under, across and through the Easement Area for the operation and maintenance of the Sanitary Sewer upon the terms and conditions set forth in this Agreement.

NOW, THEREFORE, in consideration of the mutual covenants and agreements set forth in this Agreement and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Grantor and Grantee agree as follows:

1. Grantor grants to Grantee a non-exclusive perpetual easement (the "Easement") in, under, across and through the Easement Area for the purposes of constructing, inspecting, operating, maintaining, repairing, replacing, removing, substituting and altering the Sanitary Sewer (the "Work"), together with the right of access in, under, across and through the Grantor's Property to the extent reasonably necessary to perform the Work.

2. The rights granted to Grantee pursuant to the Agreement shall at all times be exercised by Grantee in such a manner so as not to otherwise unreasonably interfere with, obstruct, impede, or delay the conduct and operations of Grantor or any lessee(s), tenant(s), or occupant(s) of Grantor and their respective employees, agents, contractors, customers, invitees, licensees and concessionaires in, on or about the Grantor's Property. All systems, structures, conduits, lines and/or other public utilities installed in connection with the Work shall be so installed and maintained below the ground level or surface of the Grantor's Property (except for such parts thereof that cannot and are not intended to be placed below the surface which shall be placed in such location as approved by Grantor).

3. Grantee will exercise reasonable care to avoid damage to the Easement Area or any other portion of the Grantor's Property. Grantee will be responsible for the supervision of all Work performed by Grantee or its agents, employees, contractors or subcontractors in connection with use of the Easement Area and will take all precautions for the protection of all persons and of real and personal property situated adjacent to, abutting or in the vicinity of the Easement Area while Grantee or its agents, employees, contractors or subcontractors are

performing the Work or otherwise on the Grantor's Property. As soon as reasonably practicable after the completion of any Work (and each portion of such Work) on the Sanitary Sewer and/or the Easement Area, all portions of the Grantor's Property which have been disturbed or damaged during the course of such Work, if any, will be restored by Grantee to its immediately prior condition as existed prior to the performance of such Work, except with respect to any permanent improvements or alterations which were made and are necessary to the use and exercise of the Easement.

4. This Agreement will be subject to any easements or restrictions of record or those matters that a personal inspection or an accurate survey of the Grantor's Property would reveal. The Easement, covenants, conditions, and promises set forth in this Agreement shall be covenants running with the land and shall be binding upon and shall inure to the benefit of Grantor and Grantee and their respective successors and assigns. In the event of a breach by Grantee of any of the terms, covenants, restrictions or conditions hereof, Grantor may pursue any and all rights and remedies which Grantor may have at law or in equity. As used herein, the term "Grantor" shall mean the fee owner(s) of the Grantor's Property, from time to time.

5. Grantor will have the right, from time to time, to relocate, at Grantor's sole cost and expense, the Easement Area (or any portion(s) thereof) and the Sanitary Sewer, provided, that Grantor obtains the prior written consent of Grantee to any such relocation. In the event of any such relocation of the Easement Area and the Sanitary Sewer, Grantor will, simultaneously with the relocation of the Easement Area and the Sanitary Sewer, grant or cause to be granted to Grantee a new easement covering the area to which all or a portion of the Easement Area is relocated, and Grantee will release the Easement granted under this Agreement with respect to the portion of the Easement Area which is relocated.

6. Nothing contained in this Agreement shall be construed as restricting or prohibiting Grantor or its successors or assigns from (i) granting any additional rights, privileges or easements over the Grantor's Property or the Easement Area to any other person or entity, or (ii) using or allowing the use of the ground above or below and/or the air space above the Easement Area for any purpose, provided, that the construction, operation, maintenance, repair and/or replacement of the Sanitary Sewer will not be interfered with and Grantor obtains the prior written consent of Grantee to any such grant or use.

7. All construction, operations, inspections, repairs, and maintenance conducted by Grantee on the Easement Area shall be performed in conformity with safe practices and shall at all times be in compliance with all local, state and federal laws, statutes, rules, and regulations pertaining thereto.

8. Grantee will self-insure all liability and damage that may be caused to the Grantor's Property in connection with or as a result of the Work performed by Grantee or any of its agents, employees and contractors on the Grantor's Property or from any acts or omissions by Grantee or any of its agents, employees and contractors while on the Grantor's Property.

9. Grantee represents and warrants to Grantor that neither Grantee nor any of its agents, employees, contractors, subcontractors, licensees or invitees shall at any time store, handle, use, package, generate, place, treat, dispose, or allow to remain on the Easement Area or the Grantor's Property any hazardous substances, hazardous wastes, or toxic substances as those terms are defined and regulated under CERCLA, 42 U.S.C. 9601 et seq., RCRA, 42 U.S.C. 6901 et seq., or TSCA, 15 U.S.C. 2601 et seq. (hereinafter collectively referred to as "Hazardous Substances"). Grantee covenants to comply with all environmental laws and regulations and to take such other actions as may be required to protect against environmental liabilities. The terms and provisions of this paragraph will survive the termination of the Easement.

10. Grantee will not commit or suffer to be committed any waste or nuisance upon the Easement Area. Grantee will take such action as may be reasonably necessary to prevent or terminate any such nuisance or waste arising out of Grantee's use of the Easement Area, including, without limitation, any nuisance created by employees, agents, contractors, subcontractors, licensees or invitees of Grantee.

11. Grantee will keep the Easement Area and the Grantor's Property and every part thereof free and clear of any and all liens and encumbrances for work performed by Grantee, or on Grantee's behalf, on the Easement Area.

12. If Grantee abandons the Easement or any other right, privilege and easement granted under this Agreement, it will promptly notify Grantor of such abandonment and execute and deliver to Grantor a recordable release of easement. Upon the abandonment and release of such Easement, all rights granted pursuant to this Agreement relative to such affected portion of the Easement, the Easement Area and/or Sanitary Sewer shall cease and revert to Grantor and its respective successors and assigns.

13. Any notice, request, consent or certificate required or permitted to be delivered under this Agreement shall be given in writing and sent by (i) personal delivery, (ii) by United States certified mail, return receipt requested, postage prepaid, and properly addressed, or (iii) a reputable overnight delivery service (e.g., Federal Express), with delivery charges prepaid and properly addressed. For the purposes hereof, the addresses of the parties, until further notice, shall be as follows:

If to Grantor: Curtis Properties Group, L.L.C.
34244 Woodward
Birmingham, Michigan 48009
Attention: Anthony Curtis, Sr.

If to Grantee: City of Rochester Hills
1000 Rochester Hills Drive
Rochester Hills, Michigan 48309
Attention: City Engineer

Notices shall be effective upon delivery or refusal of the addressee to accept delivery. Either party may designate another address for notice by notice given from time to time in accordance with this Paragraph 13.

14. The parties to this Agreement agree that the provisions of this Agreement may be modified or amended, in whole or in part, or terminated, only by the written consent of Grantor, or its respective successors or assigns, and Grantee, or its respective successors or assigns, which consent shall not be unreasonably withheld, delayed or conditioned, evidenced by a document that has been fully executed and acknowledged by Grantor and Grantee and recorded in the official records of the Oakland County, Michigan Register of Deeds.

15. Invalidation of any of the provisions contained in this Agreement will in no way affect any of the other provisions of this Agreement and the remainder of this Agreement will remain in effect.

16. This Agreement (including all exhibits attached to this Agreement) represents the entire agreement between the parties with respect to the subject matter of this Agreement, and all prior or contemporaneous agreements or understandings with respect to the subject matter of this Agreement are merged in this Agreement.

17. No easements other than the Easement shall be implied by this Agreement, and nothing contained herein shall be construed or deemed as creating any rights in, to or for the general public, or as being a gift or dedicating to the general public any portion of the Grantor's Property. Without limiting the foregoing, no right of way for pedestrian or vehicular traffic, roadway or walkway is granted under this Agreement, except as is necessary for Grantee to access the Easement Area pursuant to Paragraph 1 of this Agreement, nor are any easements for parking, signage, drainage or utilities, except for the Easement, granted or implied under this Agreement. Grantor shall have the right to temporarily close off or barricade or allow such closing-off or barricading of the Easement Area as is reasonably necessary to avoid any such gift or dedication to the public.

18. This Agreement shall be interpreted under and governed by the laws of the State of Michigan.

19. Nothing contained in this Agreement nor any acts of the parties performed pursuant to this Agreement shall be deemed or construed to create the relationship of principal and agent, or of partnership, or of joint venture, or of any association among the parties to this Agreement.

20. No waiver of any default of any obligation by any party hereto shall be implied from any omission by the other party to take any action with respect to such default.

Grantor and Grantee have executed this Sanitary Sewer Easement Agreement as of the date first above written.
