Legislative File No: 2005-0715

TO: Mayor and City Council Members
FROM: Kristen Myers, Trailways Coordinator, Paint Creek Trailways Commission
DATE: October 20, 2005
SUBJECT: Support - National Recreation Trail Program application

REQUEST:

The Trailways Commission would like to request a letter of support or a resolution of support for our application as a National Recreation Trail.

BACKGROUND:

The National Recreation Trails program recognizes exemplary trails of local and regional significance and is designated by the Secretary of Interior. NRT's are announced and celebrated each year in June on National Trails Day. Currently, there are no Michigan trails with this designation. As Michigan's first rail to trail, and the physical representative of Michigan's only Millennium Legacy Trail, we feel we are worthy of this designation. We exemplify the program's goal of a "Trail for All Americans" because we connect people to historic, cultural, and natural resources while providing recreational opportunities and connections to other significant trail systems.

RECOMMENDATION:
