2005-0243 Salary Recommendation for Directors' General Adjustment Recommendation - 2006

Now Therefore Be It Resolved, that the Administration & Information Services Committee (AIS) hereby recommends a General Salary Adjustment of two percent (2%) increase to budgeted funds for Department Director base salaries for Fiscal Year 2006, bringing it to \$900,597.00.

080205:

AIS Draft Minutes: *Ms. Pam Lee, Human Resource Director, gave a brief update on the status of labor negotiations with 2491 [general employees] and 3472 [firefighters] as it relates to the Committee's salary recommendation for the Directors' General Adjustment for Fiscal Year (FY) 2006 which would go into effect January 2006. She recommended that if the Committee is comfortable with making a two percent (2%) recommendation, then she would concur with moving that forward to City Council, but she would not be comfortable with recommending anything more than that at this time.*

The Committee consensus was to recommend a two percent (2%) increase for the Directors' General Adjustment for FY 2006 and bring it forward to the next City Council meeting in August. Ms. Lee will supply the 2% dollar figure.
