RE: City Council Appointments

After reviewing Council's preferences for Boards, Commissions and Committees, Council Member Duistermars has graciously removed his name from the Police School Liaison (LF 2006-0912) and indicated an interested in the Water and Sewer Board (LF 2006-0935). With these two changes, these two items can be moved to "Sufficient number of Council Members expressed an interest in serving".

Council Member Duistermars also requested his name be removed from the "City Council Police Review Committee (LF 2006-0933). This does not change the status because there are still four Council Members who wish to serve on this committee.
