Legislative File No: 2020-0343

TO: Mayor and City Council Members
FROM: Allan E. Schneck, P. E., Director of the Department of Public Services
DATE: September 14, 2020
SUBJECT: Avon Dequindre Corridor Study (City File No. E19-013)
Avon Road Bridge and Roundabout Construction at Dequindre (City File No. E20-021)

REQUEST:

The Road Commission for Oakland County (RCOC) will provide a presentation to City Council on their proposed work at the two Avon Road intersections with Dequindre Road and the segment of Avon Road between these intersections.

BACKGROUND:

The RCOC hired OHM Advisors to prepare a preliminary engineering study of the Avon Road corridor between the two intersections with Dequindre Road. The study was necessary to review the existing roadway conditions and future needs in advance of the upcoming 96-inch water main replacement project by the Great Lakes Water Authority (GLWA) along Dequindre Road from Hamlin Road to the Macomb Orchard Trail.

The RCOC has subsequently obtained funding for the replacement of the existing Avon Road bridge crossing of the Clinton River and the reconstruction of the westerly Dequindre/Avon intersection to a roundabout. The RCOC presentation will provide greater detail on their intended project schedule and improvements to this corridor.
