Hello Kristen,

My name is Paul Center. My wife Carmel and I are Rochester Hills residents, and we live on South Blvd. just east of Adams. We enjoy the peaceful nature and wildlife of the adjacent lot, so we were sad to learn that the land may soon be developed.

We attended the city council meeting virtually and I asked if the company could contact me directly regarding the project. Logan Bailey-Perkins reached out and two weeks ago we had a Skype call with him and a few members of his team. They showed us what considerations have been made for our privacy and satisfaction, listened to our perspective regarding some concerns, and answered our questions. Logan requested that I contact you as well, which is how I have your contact info.

For what it's worth, if the development of the adjacent lot is inevitable, Carmel and I think Priya Living's proposal is quite nice.

Thank you for your time,  
-Paul

Thanks Paul. I'll be sure to include this in the Planning Commission's packet.
