Re: Grandview Office Center - Outside the City Sanitary Sewer Service

Dear Ms. Balint:

This correspondence is a follow-up to your e-mail of 4:00 p.m., May 7, 2007, to Nathan Robinson at APEX Engineering with copies to various others, including the City of Rochester's engineer Gary Tressel. The Rochester City Council, during its meeting of May 29, 2007, approved the request from Grandview Office Center for permission to utilize the City of Rochester Hills sanitary sewer. The City is prepared to enter into an Interlocal Agreement. Once Kim Muprhey has prepared the Interlocal Agreement, please send it to me for appropriate signatures.

I am forwarding a copy of this letter to Kim Muprhey, Roger Rouse, Nathan Robinson, and Gary Tressel. Should you have any questions regarding this matter, please advise.

Very truly yours,

Kenneth A. Johnson
City Manager
