Honorable Bryan K. Barnett  
Mayor City of Rochester Hills  
1000 Rochester Hills Drive  
Rochester Hills, MI 48309

September 3, 2008

Dear Mayor Barnett:

The purpose of this correspondence is to request assistance from the city of Rochester Hills Michigan in obtaining a 10 year Tool and Die Recovery Zone designation under the Michigan Renaissance Zone Act, Public Act 376 of 1996.

Urgent Plastic Services, located at 2777 Product Drive is a tool and die company servicing the automotive industry. We have been a taxpayer in the city for approximately 15 years and currently have 66 employees at our facility. We are presently working with the United Tooling Coalition (UTC) regarding membership into their group. Tentatively we are scheduled to appear before the UTC for approval, in September 2008.

As such we are requesting to meet with the City of Rochester Hills City Council during the October 2008 timeframe. Doing so would allow UTC to submit an application to the Michigan Strategic Fund for final approval by the end of this calendar year.

We thank you in advance for your consideration and efforts on our behalf. If there are any questions please call me at 248-852-1333.

Sincerely,

A handwritten signature in black ink, appearing to read "Keith R. Chene".

Keith R. Chene, Treasurer / C.F.O.
