Legislative File No: 2011-0276

TO: Mayor and City Council Members
FROM: Allan E. Schneck, Director, Department of Public Services
DATE: June 6, 2011
SUBJECT: Sanitary Sewer Rehabilitation Program
City File #: E10-008

REQUEST:

The Department of Public Services recommends accepting the bid and awarding of a contract for the Sanitary Sewer Rehabilitation Program to Liqui-Force Services (USA) Inc. of Romulus, Michigan as the lowest, most responsive, responsible bidder in the amount of \$344,557.25 and authorize the Mayor and Clerk to execute a contract for and on behalf of the City.

REASON FOR PURCHASE:

On May 2, 2011 the City received four (4) sealed bids for the Sanitary Sewer Rehabilitation Program. See attached bid tab. Construction is expected to commence July 2011 with final completion no later than 90 days after issuance of the Notice to Proceed.

Through routine televising, sanitary sewer locations in various stages of deterioration were cataloged and identified for rehabilitation (see attached). The majority of the proposed work will be prosecuted through a non-destructive method consisting of 2,250 LFT of 8" and 300 LFT of 10" Cured-In-Place sewer lining as well as isolated segment lining and joint grouting. Additionally, areas that prohibited the non-destructive method of rehabilitation will be replaced via traditional open cut technique.

The Department of Public Services will provide construction services for this project including: inspection, complaint resolution, and contract administration.

PROCESS:
