Legislative File No: 2020-0549

**TO:** Mayor and City Council Members  
**FROM:** Allan E. Schneck, P. E., Director of Public Services  
**DATE:** December 14, 2020  
**SUBJECT:** Adoption of a Street Resolution – Eddington Blvd (Eddington Farms Subdivision)

**REQUEST:**

Adoption of a street resolution to place a recently constructed portion of Eddington Blvd. within the City Local Street System for the purpose of obtaining funds under Act 51, P.A. 1951, as amended.

**BACKGROUND:**

The resolution is for a recently constructed portion of a street within the existing platted subdivision plan of “Eddington Farms Subdivision”, in Section 23 of Rochester Hills, totaling 674 feet of local roadway being added.

The State of Michigan requires that a street resolution be adopted by the governing body in order to place a public street into the City Local Street System for the purpose of obtaining funds under Act 51, P.A. 1951 (as amended). In 1999, the State initiated that all public streets, including those within platted subdivisions and condominium subdivisions, must have an adopted street resolution by the jurisdictional road agency.

A certified street resolution will need to be returned to the Michigan Department of Transportation (MDOT), accompanied with City Mileage Certification, Act 51 Reports. Upon City Council approval, please provide a certified resolution so we may include the resolution within our ACT 51 City Mileage Certification Reports for mailing this year.

**RECOMMENDATION:**

The Department of Public Services recommends adoption of this resolution to place a newly constructed portion and a previously unaccounted for portion of Cone Avenue within the City Local Street System for the purpose of obtaining funds under Act 51, P.A. 1951, as amended.
