Legislative File No: 2007 - 0382

TO: Mayor and City Council Members
FROM: Ronald Crowell, Fire Department, 248-841-2706
DATE: June 22, 2007
SUBJECT: Future Apparatus Purchase

REQUEST:

To discuss the prospect of purchasing two Rescue/Pumpers and one Ladder Truck in 2007, in order to take delivery next year utilizing 2008 budget funds.

REASON FOR PURCHASE:

This request is to replace two Rescue/Pumpers used by the full-time Firefighter/Paramedics, as well as a 1990 Ladder Truck (Quint). This purchase is being discussed now due to the long build process required to manufacture these vehicles. If approved and ordered, apparatus delivery would not occur until late 2008 and utilize budget funds from 2008. Additionally, we may be able to make a cooperative purchase with two other fire departments resulting in substantial cost savings.
