Resources for RH & AH	None provided	Ascension Michigan Employer Solutions (AMES) has referral capabilities for services offered throughout their network of 7 hospitals and more than 125 medical centers in SE Michigan.	Concentra's Clinical Advisory Board directs and oversees overall company clinical operations in all Conentra medical centers and onsite clinics. Concentra has developed national medical expert panels to serve as resources to clinicians, clients, and patients. Concentra has also built the clinical infrastructure to keep them at the forefront in workplace health and their Enterprise Quality Improvement Program Committee monitors key quality measures and oversees improvement initiatives.	1) Sister relationship with Corewell Health (Beaumont Hospital) 2) 28+ centers in MI that treat work-related injuries and post-accident screening 3) X-ray capabilities at every counter 4) Radiologist Reading within 2 hours 5) DOT Certified Drug/Alcohol/Exam Staff 6) UCA Accreditation
Worksite Evaluations	We do not offer this service.	Ergonomic evaluations are priced on the specific need.	Yes - there is a physical therapist who may perform the job-site evaluation. The evaluation will result in a task description of the job and will be reviewed and approved by client management. HPE is the job related functional test used in the pre-placement or return to work exam process. PT will create the HPE and pricing is based on the job site assesment performed by the physical therapist.	They work with Team Rehabilitation and can provide services as a TPA for Beaumont Urgent Care. (\$195/hr) 1) Work conditioning 2) Ergonomic Evaluations 3) Light duty programming 4) Nutrition 5) Stretching and Mobility 6) Body Mechanics and Stability 7) Noise Level Assessments
Functional Capacity Evaluations	We do not offer this service.	AMES does not offer in-house FCE's and work hardening programs.	Yes - specialist develops an ADA Complaint, job specific functional test that we refer to as a human performance evaluation (HPE). Once therapit has measured the essential job functions, an HPE is developed to recreate the physical demands of the job.	Work Hardening Program - Team Rehab (TPA) - costs based on extent of program Functional Capacity Evaluations - Team Rehab (TPA) - costs based on extent of program
Training Sessions	We would be happy to provide training sessions to your employees. We could do a couple per year for free.	Lunch and learn programs can be provided based on specific interests and needs. Cost is \$250 for an hourly session.	Yes, Concentra can provide training sessions to the Agencies' employees on things like injury and disease prevention, ergonomics and body mechanics, stretching and exercise programs and benefits and other related items.	Ergonomics Evaluations - Team Rehab (TPA): \$195/hour - see attachment in vendor response

Emergency Treatment Beyond Scope:	Heart issues, broken bones that need to be surgically repaired, certain severe lacerations. Anything that is out of our scope would be directed to the nearest ER.	Ascension Providence Rochester Hospital is a Level III Trauma Center providing 24/7 trauma care, orthopedic and neurosurgery coverage, and advanced lifesaving equipment and technology.	Treatment beyond scope will be triaged and referred to local emergency rooms for evaluation and treatment. All injuries that are referred to ER are re-evaluated the next day to arrange for specialist care if needed.	Proud partner with Corewell Health (Beaumont Hospital). Works hand-in-hand with their emergency dept and thus have the ability to be directly involved with treatment.				
Able to meet Insurance Requirements?	Yes	No	Yes	Yes				
Exceptions	We do not do stress tests/lift tests/ mammograms in our office. We are happy to give referrals or schedule an appointment while the employee is at our office, but we do not handle them.	Yes - see vendor response.	Yes - please see vendor response for full list of exceptions.	1) pg. 15/section 6: all after-hours services should be referred to Beaumont Hospital outside of normal business hours. 2) pg. 15/section 6: hours for physical exams 8 am - 5 pm M-F 3) pg. 38 - "preferred payment method" - ACH Payment changed from Net 45 to Net 30.
