Legislative File No: 2009-0315

TO: Mayor and City Council Members
FROM: Michael Webber, City Council Member
DATE: August 4, 2009
SUBJECT: Amendment to City Council's Rules of Procedure

I submit to you the following amendment to the City Council's Rules of Procedure. Following our discussions on this matter at the July 13th and July 27th City Council meetings, I worked with City Attorney John Staran and the Clerk's Office to draft an amendment to our procedures that Council can review.

As we review the Rules of Procedure, it should be noted that time limits are already in place regarding debate; however, Legislative and Administrative comments are not limited currently. I offer this change to bring Council and Mayor's comments in line with the time limitation of citizen public comment. This amendment will still offer Council Members to make Legislative and Administrative comment for up to five minutes, with additional time available upon request to the Council President.

I welcome your consideration of this amendment.
