Legislative File No: 2019 - 0488

TO: Mayor and City Council Members
FROM: Sean Canto, Chief of Fire and Emergency Services
DATE: October 31, 2019
SUBJECT: Acceptance of First Reading – Fire Prevention and Protection Ordinance, Chapter 58-59 and 58-60

REQUEST:

Review and accept the first reading of the Fire Prevention and Protection Ordinance, Chapter 58-59 and 58-60.

BACKGROUND:

The Fire Department, through the development of a Strategic Plan, has identified a deficiency in the current fire safety inspection process. To provide consistent and equitable fire safety inspections to occupancies under the jurisdiction of the City of Rochester Hills, the Fire Department has developed an inspection frequency schedule based on each occupancies risk. The proposed frequency schedule was presented at the Public Safety Infrastructure Technical Review Committee meeting on May 1, 2019 and approved to move forward to City Council on May 29, 2019.

RECOMMENDATION:

We are recommending that City Council accept for first reading of the Periodic Fire Safety Inspections and Fees for Permits and Re-inspection Ordinance, Chapters 58-59 and 58-60.
