RE: Meeting Start Time

As you are most likely aware, at its March 30, 2009 Meeting, City Council voted to begin their regularly scheduled meetings at 7:00 PM, rather than their traditional start time of 7:30 PM.

As the Planning and Development Department coordinates meetings for several of the City's Boards and Commissions, it seemed to be appropriate to discuss meeting start times with each Board and Commission.

Traditionally, the Study Committee has been meeting at 5:30 PM on the 2nd Thursday of the month.

The Planning & Development Department would be very interested in hearing the Committee's comments on whether this is still the appropriate time for the meetings to begin, or whether the Committee thinks another time should be selected.

Please keep in mind that the Historic Districts Commission also meets on the 2nd Thursday of each month, and their meetings have traditionally begun at 7:30 PM. The Commission will also be asked to review their meeting start time, but they will have to take into consideration the fact the Study Committee also meets that day.
