PLEDGE OF ALLEGIANCE

APPROVAL OF AGENDA

Resolved that the Rochester Hills City Council hereby approves the Agenda of the Regular Rochester Hills City Council Meeting of January 24, 2007 with the following amendment:

Add under PRESENTATIONS Item 2007-0071 - Presentation of the Rochester Hills Government Youth Council Bi-Annual Report to City Council

A motion was made by Hooper, seconded by Holder, to Approve Agenda as Amended.

The motion carried by the following vote:

Aye: Ambrozaitis, Holder, Hooper, Raschke, Rosen and Yalamanchi

Absent: Duistermars

PUBLIC COMMENT

Ms. Alice Benbow, 1582 Northumberland Drive, using large posters, expressed concern that although nine Rochester Hills residents were elected to be Republican Party precinct

delegates, they were not, in turn, elected as delegates to the State Convention. She then announced that a local church would be hosting a blood drive.

Mr. Lee Zendel, 1575 Dutton Road, questioned why the City appeared to be moving forward with plans to develop Nowicki Park, when residents had been assured the previous year that there would be no development there for as long as 10 or 20 years.

LEGISLATIVE & ADMINISTRATIVE COMMENTS

Mr. Ambrozaitis congratulated a student at Rochester High School who had recently won a pole-vaulting award.

Ms. Holder responded briefly to Mr. Zendel's comment regarding Nowicki Park by explaining that when additional land was acquired for that park through a land swap, part of the arrangement was a contribution of money from the developer to be used specifically for creating design plans for that park. Noting that the Tienken Road Bridge project was completed, Ms. Holder questioned what the plans are for the rest of that corridor.

Mr. Paul Davis, City Engineer, noting that Tienken Road is the responsibility of the Road Commission for Oakland County (RCOC), explained that nothing has been decided in terms of the rest of Tienken Road; however, an application has been submitted by the RCOC for a five-lane road between Livernois and Sheldon. He noted that the RCOC also received approval of approximately \$1.2 million to do a preliminary engineering study of the corridor between 2007 and 2008. He explained that it takes some time to get these types of corridor projects underway and that he did not anticipate any action taking place before 2009.

President Rosen noted that the future of Tienken Road is a "big issue" in Rochester Hills and that a five-lane road would result in the taking of private homes, whereas a three-lane road would not have the same impact.

ATTORNEY MATTERS

City Attorney John Staran had nothing to report.

Passed The Consent Agenda

A motion was made by Raschke, seconded by Hooper, including all the preceding items marked as having been adopted on the Consent Agenda. The motion carried by the following vote:

Aye: Ambrozaitis, Holder, Hooper, Raschke, Rosen and Yalamanchi

Absent: Duistermars

The following Consent Agenda Items were discussed and adopted by separate Motions:

2006-0798

Acceptance of the Warranty Deed for a portion of Ring Road in the Grand Sakwa Development, granted by The Marketplace of Rochester Hills LLC (formerly known as Rochester Hills Corporate Center LLC) a Michigan limited liability company

Attachments: Agenda Summary.pdf; Warranty Deed.pdf; Map.pdf; Resolution.pdf

Mr. Ambrozaitis questioned whether the City would be responsible for this road.

City Attorney John Staran explained that, when completed, this road would become part of the City's local road network and the City would then become responsible for its maintenance.

A motion was made by Raschke, seconded by Hooper, that this matter be Adopted by Resolution.

Resolved that the Rochester Hills City Council, on behalf of the City of Rochester Hills, hereby accepts a Warranty Deed granted by The Marketplace of Rochester Hills LLC (formerly known as Rochester Hills Corporate Center LLC), a Michigan limited liability company, 28470 Thirteen Mile Road, Suite 220, Farmington Hills, Michigan 48334, for a portion of the Ring Road in the Grand Sakwa Development, to the City of Rochester Hills, 1000 Rochester Hills Drive, Rochester Hills, Michigan 48309, for Parcel Nos. 15-30-276-008 and 15-30-176-001.

Further Resolved that the City Clerk is directed to record the Warranty Deed with the Oakland County Register of Deeds.

The motion carried by the following vote:

Absent: Duistermars

Enactment No: RES0028-2007

2007-0041

Request for Purchase Authorization - DPS/ENG: Bituminous Cold Patching Material, blanket purchase order in the amount not-to-exceed \$39,000; Barrett Paving Materials, Inc., Mt. Clemens, MI

Attachments: Agenda Summary.pdf; Bid Tabulation.pdf; Resolution.pdf

Resident Lee Zendel, 1575 Dutton Road, questioned what the impact had been on both Bituminous Cold Patching Materials and Asphalt Paving Materials as a result of the increase in crude oil prices.

Mr. Roger Rouse, Director of DPS/Engineering, noted that there has been an increase of approximately 5% in asphalt prices and about 10% in concrete prices.

Mr. Zendel cautioned that those increases would impact plans to address the local roads issue.

A motion was made by Yalamanchi, seconded by Hooper, that this matter be Adopted by Resolution.

Resolved that the Rochester Hills City Council hereby authorizes a Blanket Purchase Order to Barrett Paving Materials, Inc., Mt. Clemens, Michigan, for the purchase of bituminous cold patching material, in the amount not-to-exceed \$39,000 through December 31, 2007.

Request for Purchase Authorization - DPS/ENG: 22A Gravel and 22X Slag, blanket purchase order in the amount not-to-exceed \$40,000; Richmond Transport, Inc., Lenox, MI

Attachments: Agenda Summary.pdf; Bid Tabulation.pdf; Resolution.pdf

Mr. Ambrozaitis questioned who makes the final decision when recommending a vendor.

Mr. Roger Rouse, Director of DPS/Engineering, noted that it is a group evaluation including him, Purchasing personnel and those employees who will be working directly with the product or service.

A motion was made by Ambrozaitis, seconded by Yalamanchi, that this matter be Adopted by Resolution.

Resolved that the Rochester Hills City Council hereby authorizes a blanket purchase order to Richmond Transport, Inc., Lenox, Michigan, for 22A Gravel and 22X Slag in the amount not-to-exceed \$40,000 through December 31, 2007.

The motion carried by the following vote:

Amendment to Resolution RES0413-2006 to add "Council Attendance/Per Diem Compensation Policy" to charge and purpose of Human Resources Technical Review Committee

Attachments: Agenda Summary to Amend RES0413-2006 .pdf; 112906 Agenda Summary.pdf; 112906 Resolution.pdf; 0861 Amended Resolution.pdf

Mr. Ambrozaitis questioned whether it would be legally permissible to establish an elected board of residents to set salaries.

City Attorney John Staran explained that the current system is dictated by the City Charter and, thus, would require a Charter Amendment following a vote of the people

Ms. Holder clarified that Council sets the salary for department directors, the Mayor and Council members, not for other City staff members.

Mr. Ambrozaitis asked that Council investigate this option.

President Rosen noted that it could be addressed at a Council Work Session.

A motion was made by Ambrozaitis, seconded by Raschke, that this matter be Adopted by Resolution.

Now, Therefore, Be It Resolved that Resolution RES0413-2006 adopted by the Rochester Hills City Council at its meeting of November 29, 2006 as follows:

Motion was Made By Council Member Holder, Seconded by Council Member Raschke,

Whereas, the Rochester Hills City Council has decided to create Technical Review Committees in lieu of City Council Communication Committees to better address pending issues on a more focused and limited scope approach to ensure that all issues are addressed in an appropriate manner; and

Whereas, by City Council Policy for Salaries of Department Directors and Mayor, and Per Diem Fees for City Boards and Commissions and City Council's Policy for Review of Performance Appraisals for City Council Appointed Department Directors had charged the Administration and Information Services Committee with certain responsibilities.

Now, Therefore, Be It Resolved that the Rochester Hills City Council creates the Human Resources Technical Review Committee as follows:

Name of Committee: Human Resources Technical Review Committee

Purpose and Charge: The Committee shall be responsible for the following:

- * Formal duties and responsibilities stated in the Policy for Salaries of Department Directors and Mayor, and Per Diem Fees for City Boards and Commissions and shall be responsible to City Council for adhering to and carrying out the required actions of this Policy
- * Pursuant to City Council's Policy for Review of Performance Appraisals for City Council Appointed Department Directors the Committee will periodically monitor the performance of Council appointed directors

Membership:

City Council - Two to Three Members appointed to a one-year term to expire on December 31 of the given year or upon a Council Member's end of term of office

Citizen Representatives - Two Members appointed to a one-year term to expire on December 31 of the given year

Administrative Representative - Human Resources Director

Youth Representatives - Two members of the Rochester Hills Government Youth Council selected by the Youth Council

Be amended as follows:

Add to second "Whereas" Council Attendance/Per Diem Compensation Policy

Add to "Purpose and Charge"

- * Formal duties and responsibilities stated in the Council Attendance/Per Diem Compensation Policy and shall be responsible to City Council for adhering to and carrying out the required action of this Policy

Be It Further Resolved that the resolution as amended is hereby readopted by the City Council as follows:

Whereas, the Rochester Hills City Council has decided to create Technical Review Committees in lieu of City Council Communication Committees to better address pending issues on a more focused and limited scope approach to ensure that all issues are addressed in an appropriate manner; and

Whereas, by City Council Policy for Salaries of Department Directors and Mayor, Council Attendance/Per Diem Compensation Policy and Per Diem Fees for City Boards and Commissions and City Council's Policy for Review of Performance Appraisals for City Council Appointed Department Directors had charged the Administration and Information Services Committee with certain responsibilities.

Now, Therefore, Be It Resolved that the Rochester Hills City Council creates the Human Resources Technical Review Committee as follows:

Name of Committee: Human Resources Technical Review Committee

Purpose and Charge: The Committee shall be responsible for the following:

- * Formal duties and responsibilities stated in the Policy for Salaries of Department Directors and Mayor, and Per Diem Fees for City Boards and

Commissions and shall be responsible to City Council for adhering to and carrying out the required actions of this Policy

PUBLIC HEARINGS

2006-0961

Request to establish an Industrial Development District at 1840 Enterprise Drive, Rochester Hills, MI 48309

Attachments: Agenda Summary IDD.pdf; 011007 Agenda Summary.pdf; Application.pdf; Tesla Lease.pdf; Set Public Hearing Resolution.pdf; Public Hearing Notice.pdf; Resolution.pdf

Mr. Dan Casey, Manager of Economic Development, was present to address any questions or concerns.

President Rosen **Opened the Public Hearing at 8:18 p.m.**

There being no Public Comment, **President Rosen Closed the Public Hearing at 8:19 p.m.**

Mr. Ambrozaitis welcomed Tesla Motors to the City.

President Rosen indicated some concerns he had with Tesla's product and urged the company to be more forthcoming about their technology and expectations. He expressed his concerns about tax abatements, noting that the offer of a tax abatement should never be a deciding factor for a company to locate in a specific community. He stated that locating in this area of the country is the right thing to do for this company, but he did not believe the tax abatement was responsible for it.

Mr. Hooper noted that he did not support President Rosen's comments and expressed his enthusiasm for Tesla Motors locating their Technical Center in Rochester Hills. He stated that the City should make every effort to encourage new technologies. He expressed his hope that Tesla Motors would remain in Rochester Hills and expand.

A motion was made by Ambrozaitis, seconded by Yalamanchi, that this matter be Adopted by Resolution.

Whereas, First Industrial Realty Trust, as owner of certain industrial property in the City of Rochester Hills, Oakland County, Michigan, has filed a request with the City of Rochester Hills City Council for the establishment of an Industrial Development District under the "Plant Rehabilitation and Industrial Development Districts Act of 1974," as amended; and

Whereas, the proposed industrial development district is that property located at 1840 Enterprise Drive, Rochester Hills, Michigan, more particularly described as:

E, Sec 28 Tan Industrial Park Lots 44 & 45 11/06/87 FR 003 & 004

Whereas, the Rochester Hills City Council held a public hearing regarding this request at the Regular Meeting of January 24, 2007 at 7:30 p.m. in the Council Chambers, at 1000 Rochester Hills Drive, Rochester Hills, Michigan, during which the owner of the property and all interested parties were given the opportunity to be heard; and

Whereas, the establishment of an Industrial Development District is consistent with City objectives for industrial development and the creation of new employment opportunities.

Now, Therefore, Be It Resolved that the Rochester Hills City Council determines that the levies of ad valorem taxes are at a rate, when taken together with the rates of ad valorem taxes levied by any other taxing authority which levies taxes within the City of Rochester Hills, equals or exceeds \$30.00 for each \$1,000.00 of taxable value, and therefore is eligible for designation as an Industrial Development District pursuant to said Act; and

Be It Further Resolved that the above listed legal description is hereby designated as an Industrial Development District.

The motion carried by the following vote:

Aye: Ambrozaitis, Holder, Hooper, Raschke, Rosen and Yalamanchi

Absent: Duistermars

President Rosen **Opened the Public Hearing at 8:19 p.m.**

There being no Public Comment, President Rosen **Closed the Public Hearing at 8:20 p.m.**

A motion was made by Yalamanchi, seconded by Hooper, that this matter be Adopted by Resolution.

Whereas, Tesla Motors, Inc., as owners of certain industrial property in the City of Rochester Hills, Oakland County, Michigan, is located within an Industrial Development District under the "Plant Rehabilitation and Industrial Development Districts Act of 1974," as amended; and

Whereas, the Industrial Development District is that property located at 1840 Enterprise Drive, Rochester Hills, Michigan, more particularly described as follows:

E, Sec 28 Tan Industrial Park Lots 44 & 45 11/06/87 FR 003 & 004

Whereas, Tesla Motors has made application to the Rochester Hills City Council for an Industrial Facilities Exemption Certificate under the above noted legislation; and

Whereas, the Rochester Hills City Council has reviewed the application and made the following findings:

- a. The granting of the Industrial Facilities Exemption Certificate, considered together with the aggregate amount of Industrial Facilities Exemption Certificates previously granted and currently in force, does not have the effect of substantially impeding the operation of the City of Rochester Hills or impairing the financial soundness of a taxing unit which levies an ad valorem property tax in the City of Rochester Hills in which the facility is located.
- b. Completion of the facility is calculated to, and will at the time of issuance of the certificate, have the reasonable likelihood to retain and create employment.
- c. Completion of the facility does not constitute merely the addition of machinery and equipment for the purpose of increasing productive capacity, but rather is primarily for the purpose and will primarily have the effect of providing a new facility on industrial property.
- d. The construction of the industrial facility meets the objectives of job creation within the established industrial corridor of the City of Rochester Hills.

Now, Therefore, Be It Resolved that pursuant to Section 9, (1) and (2) of Act 198 of Public Acts of 1974, as amended, the City Council of the City of Rochester Hills hereby approves the request of Tesla Motors for an Industrial Facilities Exemption Certificate for a period of three (3) years for personal property only; and

Be It Further Resolved that the accompanying Development Agreement between Tesla Motors and the City of Rochester Hills is hereby approved after review by the City Attorney as to form, and is to be sent to the Department of Treasury and the State Tax Commission along with this resolution.

Request for Approval of 2007 First Quarter Budget Amendments

Attachments: Agenda Summary.pdf; 2007 - Budget Amendments.pdf; Public Hearing Notice -.pdf; 2007 -revised Budget Amendments.pdf; Memo to CC re revised amendment EEC carpet.pdf; Resolution.pdf

Mr. Yalamanchi asked that the budget amendment be reduced to remove the \$850,000 item for the Grand Sakwa Consent Judgment, and asked that Council receive a full report from the administration explaining what service credits had been attributed to the ring road construction and how much actual cash will ultimately be expended. He stressed that he was under the impression that no cash would ever be paid for this project, but rather it would all be financed through credits. He further expressed his concern that this financial obligation was never mentioned during the budget process.

Mr. Hooper noted that his employer is associated with this project and, thus, he felt it necessary to abstain from this discussion.

City Attorney John Staran explained that the City is obligated in the Consent Judgment to repay the cost of the ring road no later than 30 days following its completion.

Mr. Ambrozaitis indicated he would support a motion that removed the \$850,000, although he also expressed concern that he would be required to approve \$314,000 for the Asset Management Program while still awaiting discussion of the item during an upcoming Council Work Session.

Mr. Paul Davis, City Engineer, offered a brief explanation as to the Grand Sakwa ring road matter, noting that the City was not aware of when construction would start on the ring road and, thus, had no way of knowing how much of the obligation would be met in services fees and cash payments. He further noted that, unexpectedly, rather than Grand Sakwa requesting credit-eligible services, Grand Sakwa's lease agreement resulted in Wal-Mart paying fees for its own development and, therefore, the credits did not apply. He explained that the City had received revenue for the project, while not reducing its ring road obligation. He also noted that the ring road would likely be completed in the spring of 2007.

Ms. Holder urged Council members to seek answers to their questions prior to Council meetings, rather than waiting and requesting changes to resolutions.

Mr. Yalamanchi noted that he had requested this information previously. He also stressed that this financial obligation should have been indicated as a liability during the budget process and stated that, if he had been made aware of this impending payment, his budget discussions on certain issues would have been different.

PUBLIC COMMENT:

Mr. Lee Zendel, 1575 Dutton Road, agreed that the payment should have been identified at some point as a "contingent liability."

COUNCIL DISCUSSION:

Ms. Julie Jenuwine, Director of Finance, explained that liabilities are indicated in the CAFR, not the budget, which is a separate process. She explained that she was under the impression that a significant portion of the \$2.5 million would be accounted for in service credits. She stressed that, as the ring road was constructed early in the development process, not enough time had passed to accrue more credits. She further noted that, although not shown in the budget amendment, there had been an increase in service fees as a result of the development.

Mr. Yalamanchi Called the Question to end further debate and vote on the current motion.

A motion was made by Yalamanchi that this matter be Discussed.

Resolved by the Rochester Hills City Council to hereby Call the Question to Close Debate on the Motion currently on the Floor to approve the 2007 First Quarter Budget Amendment.

2007-0020

Request for Approval of 2007 First Quarter Budget Amendments

The motion to call the question having failed, Council discussion continued.

Mr. Ambrozaitis stressed that the potential liability should have been brought to the attention of Council during the budget process.

Ms. Jenuwine stated that she had not been involved in this arrangement, thus, was unable to provide the information to Council.

Mr. Davis acknowledged that Council should have been better informed on the matter, but also noted that there is still time for further credits to be used in the process before the final payment either 30 days following completion of the ring road or September of 2007, whichever comes first.

Mr. Duistermars suggested that perhaps a different process could be put in place to address this type of situation, such as an escrow account. He then noted that the City must, at this time, meet its legal obligation to pay for the ring road, thus, these funds should not be delayed, which could possibly be interpreted as unwillingness to pay and a breach of contract.

President Rosen acknowledged that the issue should have been brought to Council's attention sooner, and noted he would be in favor of removing the item for further discussion. With regard to the Asset Management Program, he indicated that that project was already in progress and that he supported the program.

Mr. Ambrozaitis stated that he felt it was unfair to ask him to approve the Asset Management Program budget amendment before he had received a presentation and adequate information about the program.

President Rosen offered Mr. Ambrozaitis the opportunity to move a motion that would remove the Asset Management Program from consideration.

Mr. Duistermars stressed that the Asset Management Program was a carryover from the previous budget, and noted how disruptive it would be if Council were to make it a practice to halt ongoing projects to await informational meetings. He then Called the Question to end debate and vote on the current motion.

A motion was made by Duistermars that this matter be Adopted by Resolution.

Resolved by the Rochester Hills City Council to hereby Call the Question to Close

2007-0020 Request for Approval of 2007 First Quarter Budget Amendments

Mr. Duistermars moved the original motion in the packet containing all budget amendments including the \$850,000 for the Grand Sakwa Consent Judgment and the \$314,000 for the Asset Management Program.

Mr. Yalamanchi again requested a full report on the City's expenditures thus far for the ring road in both cash and services credits.

A motion was made by Duistermars, seconded by Raschke, that this matter be Adopted by Resolution.

Whereas, in accordance with the provisions of Public Act 2 of 1968, the Uniform Budgeting and Accounting Act, and the Charter for the City of Rochester Hills, Chapter III, Section 3.7, the City Council may amend the budget during the fiscal year, either on its own initiative or upon recommendation of the Mayor; and

2007-0025 Adoption of Resolution changing the composition of the Brownfield Redevelopment Authority

Attachments: Agenda Summary.pdf; 011707 Agenda Summary.pdf; Suppl - Minutes 11-13-02.pdf; 0025 Resolution.pdf

City Attorney John Staran explained that it had recently been discovered that State law did not permit a member of the Planning Commission to hold a seat on the Brownfield Redevelopment Authority and that Council would have to determine how to fill that vacancy, either with a second Council member or another citizen representative.

A motion was made by Hooper, seconded by Raschke, that this matter be Adopted by Resolution.

Resolved that the Rochester Hills City Council hereby changes the composition of the Brownfield Redevelopment Authority to remove the Planning Commission Appointment and add a sixth citizen representative.

Request for Blanket Purchasing Authorization - DPS/Engineering: Maintenance and Repair or Upgrades of Traffic Signals, SCATs, and School Flashers for the total amount of \$150,000.00 to Road Commission for Oakland County (RCOC)

Attachments: Agenda Summary.pdf; Traffic Signal & SCAT Totals 1-2007.pdf; Left Turn Flashing Yellow.pdf; Resolution.pdf

Mr. Roger Rouse, Director of DPS/Engineering, explained that this purchase order represents a combination of upgrades and ongoing maintenance of traffic signal equipment in the City, noting that two new traffic signals had been added to the system.

Ms. Raschke asked that the City investigate the apparent need for some sort of signage warning drivers of the new signal on Forester.

A motion was made by Ambrozaitis, seconded by Hooper, that this matter be Adopted by Resolution.

Whereas, under terms and conditions of separate agreements with the Road Commission for Oakland County (RCOC), the City of Rochester Hills has agreed to pay for a percentage of the costs associated with maintaining traffic signals on our major roads; and

Whereas, a request for a contingency of \$20,000.00 for the unforeseen miscellaneous items and inflationary costs associated with the operation and maintenance of the traffic signals, SCATs and school flashers.

Resolved that the Rochester Hills City Council hereby authorizes a Blanket Purchase Order to the Road Commission for Oakland County, of Waterford, Michigan for the maintenance and/or repair of traffic signals, SCATs, school flashers in the amount of \$150,000.00.

Creation of the Police Funding & Millage Technical Review Committee

Attachments: Agenda Summary.pdf; Potential Tech Cmte Worksheet.pdf

President Rosen explained that the Council needed to come to a consensus about resolving the police and local roads funding issues. He questioned whether Council members wanted to pursue the creation of technical review committees and, if so, what would be their charge and membership.

Council Consensus was that these were problems that needed immediate attention and there was little time to establish the proposed committees. Rather, it was determined that Council should address both issues as a whole.

Mr. Hooper described a presentation he wanted to make to Council at a Work Session that would consist of all of the pertinent information associated with the policing issue and suggested a possible solution that would also take into account local roads.

Ms. Holder spoke in support of Mr. Hooper's presentation and noted that any request for additional millage dollars would likely fail.

Mr. Yalamanchi expressed support for Mr. Hooper's presentation but noted that he was not in support of Mr. Hooper's proposed solution, noting his desire to see the dedicated millage system changed and that the Council pursue a Charter Amendment that would allow combining Police and Fire Department funding into one Public Safety Fund.

PUBLIC COMMENT:

Mr. Lee Zendel, 1575 Dutton Road, noted that Council should agree to pursue renewal of Police Millage II to address the immediate problem of police funding and encouraged Council to consider Mr. Hooper's presentation, which he described as "excellent." He stressed that both issues, police and local roads, should be approached by the Council as a whole.

COUNCIL DISCUSSION:

President Rosen expressed his opinion that millage requests should only appear on November ballots to afford the greatest voter turn out and, thus, fairness. He cautioned that pursuing a simple Police Millage II renewal was risky, noting there is no alternative plan if it should fail to pass. He stressed the need for more discussion of the overall problems of police funding. He assured Council that he would schedule Mr. Hooper's presentation and the subsequent discussion for the first Work Session in February. He then noted that

Council would not establish separate technical committees for the police and local roads issues.

Discussed

COUNCIL COMMITTEE REPORTS

Brownfield Redevelopment Authority (BRA)

Mr. Duistermars, Council's representative to the BRA, stated that the BRA members had expressed a desire to see another citizen representative added in place of the departing Planning Commission member.

President Rosen noted that he had attended the most recent BRA meeting and found it very informative regarding ways the City can address the clean-up of brownfields in the future.

Green Space Advisory Board (GSAB)

Mr. Yalamanchi, Council's representative to the GSAB, noted that the board had recently discussed the donation of property to the City for preservation and that the GSAB was planning a presentation to Council on their recommendation with regard to this property.

ANY OTHER BUSINESS

Ms. Holder noted that Council has no involvement in contract negotiations with City employees, but rather votes on funding for settled contracts. She then asked the City Attorney if Council could place advisory questions on ballots.

City Attorney John Staran noted that, based on case law, in the absence of a Charter provision allowing advisory questions, it is considered an "unauthorized practice." He noted that the Charter would have to be amended to allow such a practice.

Mr. Ambrozaitis questioned whether Rochester Hills should consider receiving their water supply through Pontiac.

Mr. Roger Rouse, Director of DPS/Engineering, noted that, due to some loss of business, Pontiac has an excess of water capacity. He indicated that the matter is being investigated, but it had not been determined yet whether it would represent a cost savings to the City.

Mr. Ambrozaitis noted that he had received an email from a resident expressing concern over roadwork taking place on John R Road.

Mr. Rouse explained that the project was being performed by a private utility company.

Mr. Duistermars, referring to Ms. Alice Benbow's comments at the beginning of the meeting, explained that it was likely there was a misunderstanding on the part of some Republican Party precinct delegates as to the process of choosing delegates to the State Convention.
