TO: Mayor and City Council Members
FROM: Ed Anzek, Director of Planning and Economic Development, ext. 2572
DATE: April 10, 2015
SUBJECT: Request for First Reading – an Ordinance to add new Article VI Pipelines to existing Chapter 94, Streets, Sidewalks and Certain Other Public Places of the Code of Ordinances of the City of Rochester Hills, Oakland County, Michigan to regulate the construction and permitting of pipelines in the City, repeal conflicting or inconsistent Ordinances and prescribe a penalty for violations.

REQUEST:

To accept for First Reading an Ordinance to regulate pipelines in the City of Rochester Hills.

BACKGROUND:

As directed by City Council, City Attorney John Staran drafted an Ordinance to regulate pipelines in the City to be reviewed and recommended by the Planning Commission before coming back to Council. The Planning Commission held a Public Hearing and special meeting in October 2014 and March 2015 to receive public input and comment on the Ordinance. The pipelines Ordinance had very minor changes from its original version in October 2014 and a few additional suggestions were made at the March 2015 meeting. The matter was tabled to the April 7, 2015 Planning Commission meeting where it was unanimously recommended for approval and is ready for Council’s review.

RECOMMENDATION:

The Planning Commission recommends that City Council accept for First Reading the attached Ordinance to regulate pipelines.
