Mrs. Roediger,

I would like to take this opportunity to apologize concerning the letter dated June 20, 2019, particularly the tone of brevity, terseness and litigiousness that was not necessary at this point. I am now aware that planning commissioners were offended by and taken aback by my tone. Designhaus and the City of Rochester Hills have shared a relationship for over 20 years, and worked successfully through many complicated issues. My personal goal is to maintain and build upon the good and productive relationships that I have with the land owners and residents of the City of Rochester Hills and the city government itself.

Regards,
