NAME	Agroscaping, Inc.	Inland Lakes Landscaping	Weyand Bros, Inc.	Sinacori Landscaping Inc.	Green Valley Conservation Services, Inc.
ADDRESS	Swartz Creek, MI	Pontiac, MI	Saginaw, MI	Shelby Twp, MI	Mt Clemens, MI
Subcontractors	None	None for this project JH Hart Urban Forestry Edmund's Irrigation Maddox Irrigation Michigan Marine Services	NA	Wilcox Bros. Irrigation Maddox Irrigation Trost Irrigation Central Michigan Sod	None
Philosophy Relative to Maintenance and Customer Service	Provide a care sheet to all parties involved to maintain trees; like to be notified as early as possible to address conditions. 24-48 hr response time for on site evaluation	Proper maint ensures health, high perf & longevity of landscape plants. Appropriate & precise irrigation is critical. Educating clients to cont proper maint. Good customer services. Goal to deliver superior product on time & within budget	Take great pride in satisfying customers. If unhappy customer, they are not happy. No job will be finished until everyone likes the job done	Sinacori Landscaping puts emphasis on cust service & warranty issues. Goal is to keep all past & current clients happy before looking for new clients	Every job very customer satisfaction oriented. Maintain a very professional attitude
If planting delay, trees storage to maintain healthy condition	Hold in mulch with irrigation	Store in their yard "holding nursery" which is under irrigation & is inspected daily	Trees will be stored by putting mulch on and around them to contain their moisture	Trees will be maintained on their lot - mulched in & watered until needed. If necessary they will be fertilized as well.	In their green houses being watered as needed
Capabilities/knowledge relative to tree planting services	Employ 4 Michigan certified Owner is chairman of certified green industry professionals Owner has master degree in horticulture from MSU Over 31 years in business	When start w/ healthy product, install correctly & insure proper moisture & nutrients, more than doubled its change for survival; product from reliable source w/ same climate, inspect delivered product, proper installation, follow-up care; use Root-M, PHC or similar in backfill soil mix	Plant roughly 600-1,000 trees a year. Always making sure tree installations are done correct. Don't want to have to come back and replace them	Owner & gen mgr in landscaping industry over 20 yrs. Most crew w/ Sinacori for at least 5-10 yrs and have very good working knowledge of installation and plant care	Been doing this for 40 years
Exceptions	Some varieties are not available from our nursery	Magnolia Moonglow is 4' height Emerald City Liriodendron tulipifera may need to be substituted w/ straight species Pricing based on truck load quantity from one source; add freight charges if less than full truck load; can determine once tree selection is made	NA	NA	None
