All,

Based on the revised construction estimate, I have prepared a Maintenance Assessment in the amount of \$910,123.00 to cover the project costs as well as regular maintenance dollars for the next three years (2018-2020). Please note that Rochester Hills' apportioned share of the assessment is \$843,046.93. It is our intent to present this to the Drain Board at the 11/28 meeting.

Thanks!

Mike
