Legislative File No: 2020-0572

TO: Mayor and City Council Members
FROM: Scott Cope, Director Building/Ordinance/Facilities
DATE: January 11, 2021
SUBJECT: Electric Energy for City Facilities

REQUEST:

It is requested that City Council authorize a blanket purchase order for the delivery of electric energy for City facilities from DTE Energy, Detroit, Michigan and Michigan Municipal Risk Management Authority, Livonia, Michigan in the amount not-to-exceed \$410,000 through December 31, 2021.

REASON FOR PURCHASE:

As a member of the Michigan Municipal Risk Management Association (MMRMA) Electric Choice Program, the City participates in a cooperative community purchase for electrical power. The City purchases its electric energy for City Hall, Fire Station #1 and DPS Garage through the program from an alternate electricity supplier. Though the cost of electrical energy has varied during the past years, the City enjoys a modest (cumulative) savings below DTE rates. The smaller City facilities do not benefit from the cost savings of the larger buildings and will continue to receive electrical energy and its delivery from DTE Energy. Participation in electric choice is capped by the Public Service Commission at 10%.

Due to the nature of the Electric Choice Program, payments for electrical energy and delivery will be made to MMRMA and DTE Energy. The administrative charges from MMRMA and the customer and distribution charges from DTE Energy continues and may fluctuate as specified by the utility and the Michigan Public Service Commission.

The alternative choice contracts expire at various times throughout 2021 and will be re-evaluated and re-bid by Summit Energy Services, Inc. on behalf of the Electric Choice program participants. The City will continue to monitor the industry to provide the best value for the City.
