Legislative File No: 2025-0190

TO: Mayor and City Council Members

FROM: Ann Echols, Assistant Chief / Fire Marshal

DATE: May 12, 2025

SUBJECT: Ordinance Adoption for the 2024 International Fire Code

REQUEST:

The Rochester Hills City Council accept for second reading an Ordinance to amend Article III, Sections 58-57, 58-58 and 58-59 of Chapter 58, fire prevention and protection, of the Code of Ordinances of the City of Rochester Hills, Oakland County, Michigan, and to adopt the 2024 International Fire Code to specify enforcement authority and to adopt amendments to the Fire Code; update verbiage under periodic fire safety inspections; and to repeal conflicting ordinances and prescribe a penalty for violations.

BACKGROUND:

The 2024 International Fire Code was released last year. Adopting the most current codes and standards is the most efficient and effective method of creating safe environments that protect and improve public health, safety and welfare and the economic interests of our community. Adoption of the International Fire Code, 2024 edition will provide guidance to our staff and the people we protect related to emerging technologies that the 2021 code does not address. In addition, the Fire Department has amended content in Section 58-59, periodic fire safety inspections, to better reflect best practices recommended by NFPA standards and to bring the verbiage in line with actual practices used over the first three-year cycle.

RECOMMENDATION:

The Rochester Hills City Council accept for second reading the adoption of the 2024 International Fire Code and amendment to Section 58-59.
