RE: 2007 3rd Qtr Budget Amendment
- **Revised**

Please find enclosed a *revised* 2007 3rd Quarter Budget Amendment and resolution. The revised amendment excludes the 2006 refund/"lookback" for the future City Hall Building replacement monies to the various user departments. The change has been made due to the timing of the City Hall building replacement costs discussion, as further discussions will not occur until September 19, 2007 City Council Work Session.

Should you have any questions or concerns, please feel free to contact me.
