

car for \$13,900 could not be sold because Mr. Ahmad said \$15,000. Ms. Brnabic clarified that they were talking about much lower prices.

Mr. McAuliff asked if any of the Commissioners had been on a parking lot with recycled asphalt. He brought it up because he saw such an improvement between the gravel part and the asphalt. He was very impressed. It made sense to him to not want mud getting into the cars, and as long as the recycled asphalt was maintained, there would be no mud. It was as close as someone could get to a nice surface, and he was really pleased.

Chairperson Boswell asked Mr. Ahmad if he had any questions and if he had gotten enough answers to know in which direction to go. Mr. Ahmad concluded that he did get the direction he needed.

ANY FURTHER BUSIENSS:

Mr. Hooper asked if anyone had seen the Kroger gas station on Rochester Rd. in Troy. He remarked that if that was what someone wanted them to approve in Rochester Hills, it would be DOA. Several Commissioners agreed that it looked awful. Mr. Kaltsounis stated that it was a really unsightly, party store type building where the pumps were put in the back. Mr. Hooper said that it was similar to what they had been discussing, where the building was moved closer to the road.
