SUBJECT: Leadership RH Graduates

REQUEST:
Recognition of Leadership RH Graduates with Certificates

BACKGROUND:
Leadership RH provides leadership, networking, and opportunities for team members to better understand the many different programs and services available through the city. Participants attended monthly sessions that included presentations, tours, and discussions with department leadership.

Participants were also matched with a mentor for the duration of the program. The mentorship program allows leadership to share their experiences with members of our cohort that are looking to become leaders in their departments. Participants learn about their mentors’ career, position, leadership style, and what experiences have led to their success. The program kicked off in September and ended in June.
